- Professional editing/enhancements will be completed as soon as reasonably possible after session.

- If Client is dissatisfied with all images due to Photographer's technical error (improper exposure or images not in focus), a repeat session will be offered to Client at no additional charge, and all images from original session will be discarded and not available to Client. If Client is dissatisfied with all images due to personal reasons (outfit choices, locations, hairstyle, weather conditions, body or facial appearance, etc.) a repeat session must be purchased at the current rate. Requests for a repeat session must be made within one week of images being presented to Client.
