## Wedding Checklist

Use the following list as a starting point and customize it to meet your needs.

Important - Please realize that while I will make every effort to take the photos you request, I can't guarantee that every photo will be taken. Some couples appoint a family member who knows most of the attendees to help with photos. It is your responsibility to let everyone on your list knows that they need to be available for photos, and to help organize all of the individuals involved.
